

*This conference will inform health, social service and substance abuse treatment professionals about the effects of drugs and alcohol in pregnancy and current efforts in New Jersey to promote universal screening of pregnant women.*

For more information and to register online **visit [snjpc.org](http://snjpc.org)**

## Objectives

1. Describe the need for and use of The 4P's Plus Screen for Substance Use among pregnant women in New Jersey.
2. Recognize the different domains of primary disabilities associated with prenatal alcohol exposure and FASD.
3. Discuss the role of opioid replacement therapy in treating pregnant women with substance issues.

## Continuing Education Credit

Participants who complete the program will be awarded **5.75 contact hours** by Southern New Jersey Perinatal Cooperative (SNJPC).

The Southern New Jersey Perinatal Cooperative is an approved provider of continuing nursing education by New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center's COA. NJSNA Approval Number P106-6/2009-2012.

LCADC, CADC, CPAS-Application has been made to the Addictions Professional Certification Board of NJ for **5.75 recertification credit hours**.

## Registration

Pre registration is required and will be processed on a first-come/first-served basis. Registrants will receive a confirmation email with directions to the event.

**Program fee \$30** includes continental breakfast, lunch, contact hours and program materials. Validated parking in the hotel garage is included. Make checks Payable to SNJPC.

**Cancellation:** Sponsors reserve the right to cancel the program in the event of insufficient enrollment.
