

**Mom's
Quit Connection®**

Quit smoking with support during and after pregnancy

NAME AND TAME your TRIGGERS

Triggers

*Being around
others who smoke*

Feeling bored

Drinking alcohol

Feeling hungry

Drinking coffee

Talking on the phone

Watching TV

Finishing a meal

Coping Techniques

Go places where smoking isn't allowed.
Tell your friends that you are trying to quit.

Find new ways to occupy your time, take a walk,
read, find a new hobby.

Avoid drinking alcoholic beverages while you are
trying to quit. Do not go to bars, especially one's
that allow smoking.

Have a healthy snack or drink some water.

Switch to tea, or hold your cup with the hand you
used to hold your cigarette in.

Put something else in your hand, such as a pen.
Doodle on scrap paper.

Don't sit in your usual chair. Keep popcorn or low-fat,
healthy snacks on hand.

Get up from the table and do something
physical—take a walk.

For help on how to quit smoking, contact Mom's Quit Connection 888.545.5191

Mom's Quit Connection is a program of Southern New Jersey Perinatal Cooperative funded by the New Jersey Department of Health and Senior Services and the Comprehensive Tobacco Control Program.
