

Provider Partner Agreement

New Jersey maternal/child health care agencies as well as related educational and social service organizations are invited to become partners of the Wipe Out Lead NJ program. There are many ways to join this statewide initiative to prevent childhood lead poisoning. Come on board as a kit distributor or agree to distribute literature – any and all levels of involvement will help protect the next generation.

Yes, I am interested in partnering with Wipe Out Lead NJ and will:

- Distribute WOL testing kits to my patients/clients
- Distribute request postcards so WOL kits can be mailed directly to my patients'/clients' homes
- Distribute Consumer Education materials
- Other: _____

Please contact me about professional education opportunities for my staff available through Wipe Out Lead NJ
