

NEW WEBINAR ALERT!

Individual and Family Supports for Fetal Alcohol Spectrum Disorders (FASD)

Wednesday, September 15th 6:00 - 7:00 pm

The Arc of New Jersey Family Institute is pleased to host this webinar which will give attendees an overview of FASD and the individual and family supports that are available in New Jersey. The presenters will also address common myths surrounding FASD and provide answers to many frequently asked questions. The presentation will be followed by a short Q&A session where attendees can engage with our guest speakers.

Guest Speakers

Yisel Alaoui, MA, LCADC, ICADC, NJ State Educator for FASD
Partnership for Maternal & Child Health of Northern New Jersey

Debbie Riscica, BS, OTR, CADC, WTS, CTTS, NJ State Educator for FASD
Central Jersey Family Health Consortium
